

A Big Thank You to the Round-Up Grant Program at South River EMC! Their grant will allow us to purchase two new coolers to replace a larger, inefficient one. Refrigeration is so important in safe food handling. Be sure to check out next months Newsletter to see our newest additions to the Pantry!

May 1st there will be a Yard Sale held in the Food Pantry parking lot all proceeds go directly to funding our mission of feeding the hungry in our community! Come see us starting at 8 a.m. 😊

Spotlight

Meet Corey, He is our new truck driver! He came to us during the middle of March. Corey is originally from Jamaica but him and his family moved to North Carolina last year.

He is a proud father of 6 children who share his hobbies of fishing and cooking! When asked why he chose to take the job helping our mission he said “I am truly grateful to be doing the Lord’s work and meeting new friends!” Welcome to the

Family!

Central Electric
Membership Corporation

A Touchstone Energy® Cooperative 

We would also like to give a huge thanks to Central Electric Membership Corporation and their Round-Up Grant Program for donating \$3,000 to the Pantry for Food Preservation! With Community support like this we are able to feed over 1,000 people each month!
